BASSA CLAN

Biography

Bassa Clan is a duo from Bologna (Italy), composed by Fabrizio Maurizi and Dino Angioletti. The project was born on a foggy night in the countryside. Akai MPC 2000 and a radar oriented to Detroit were the basic ingredients. Raw, analog, roots devoted. From house to techno and viceversa. Crazy vinyls collectors, Bassa Clan delivers an intense and eclectic dj set: a beautiful journey between new micro house, detroit flavour, and classic roots. They opened their own namesake (vinyl only) label "BASSA CLAN" on february 2015. The catalog now is at #5 and they went all sold out.
