DAPHIAN PROD.

DAPHIAN

Biography

Label founded in Italy by Pierluigi Abbonizio in 2016. He is the only administrator and artistic director of this project. The purpose is to express a precise state of mind about the music: no money, no fame, just spreading the best and authentic quality sounds.

The music offered embraces all the electronic landscape, without bondages to specific brands or styles. The format are on vinyl and digital. On vinyl you will find a music line suitable for clubbing and related situation, instead on digital offers easy listening and instrumental music. Professionalism and love for the music: this is what Daphian wants to pass down to its audience.
