RED ROOSTER REC.

Biography

Red Rooster is a record label founded and owned by D'Arabia with the help of his partner Dj Rou.

The label was born in 2015 and was shown for the first time at the Bologna Music Market in May 2015. The first release had a great success on the web with the track "Pajama Girl", this gave the strength to proceed in the right way with the second release and created the alchemy of sound between D'Arabia and Dj Rou.

Red Rooster Records organized a lot of showcase with the artists that attended the production of every releases like Minimono, Mamoryman aka Uovo, Dj Cream and Frank Agrario.
